Due to the increasing number of student absences due to COVID, waiting for test results, and quarantining we will be going on Distance Learning beginning Tuesday, January 18, 2022. Today, Thursday, January 13th, will be our last in-person day of instruction. All students who are on campus will be taking home their devices and materials. On Friday, January 14th, it will be an asynchronous day and the office will be open allowing those who still need to pick up their devices and material.

Friday will also be **mandatory** testing for **ONLY** students of St. Vincent school, faculty and staff from 8:00 a.m.-12:00 p.m. in Centro due to the high numbers of positive cases. At this moment our COVID testing will not be open to parents or other family members due to the lack of staffing from Heluna Health. **Home tests are allowed for screening purposes, therefore, if you opt out for this choice you will need to email test results tomorrow to the following email address no later than 6:00 p.m.: healthclerk@stvincentla.net, principal@stvincentla.net, and viceprincipal@stvincentla.net** Friday will be an asynchronous day allowing students to work on their individual adaptive programs and complete them before 6:00 p.m.

Beginning Tuesday, January 18, 2022 until Friday, January 21, 2022 all students will be working asynchronously. Their attendance will be the child completing their individual adaptive programs for the day.

This will allow students and teachers to transition to distance learning and we will continue to have our weekly Friday testing on campus.

We will continue distance learning until January 28th. You will be receiving more updates as we move forward during this difficult time. It is extremely vital that you make sure to read your weekly school newsletter with upcoming information about our second week of distance learning.

This two week in-person pause will create a safe distance between the school and a return to in-person instruction safely on January 31, 2022. This plan of action is for the health and safety measures for our school community.

Below is the list of all the individual adaptive programs per grade. Please do not hesitate to reach out to Mrs. Logan or myself if you have any questions or concerns. As a school we are doing our best to keep our community healthy and safe. Together with God on our side we will overcome any challenges that come our way.

Sincerely in Christ,
Mrs. Avila-Auzenne
Principal

Debido al aumento en el número de ausencias de los estudiantes debido a COVID, la espera de los resultados de las pruebas y la cuarentena, comenzaremos el Aprendizaje a Distancia a partir del Martes 18 de Enero de 2022. Hoy, Jueves 13 de Enero, será nuestro último día de instrucción en persona. Todos los estudiantes que están en el campus se llevarán a casa sus dispositivos y materiales. El Viernes 14 de Enero será un día asincrónico y la oficina estará abierta permitiendo a los que todavía necesiten recoger sus dispositivos y material.

El Viernes también habrá exámenes **obligatorios SOLO** para estudiantes de la escuela San Vicente, profesores y personal de 8:00 a. m. a 12:00 p. m. en el Centro debido al alto número de casos positivos. En este momento, nuestras pruebas de COVID no estarán abiertas para los padres u otros miembros de la familia debido a la falta de personal de Heluna Health. **Las pruebas en el hogar están permitidas con fines de detección, por lo tanto, si opta por no participar en esta opción, deberá enviar los resultados de la prueba por correo electrónico mañana a la siguiente dirección de correo electrónico a más tardar a las 6:00 p. m.: healthclerk@stvincentla.net, principal@stvincentla.net, y viceprincipal@stvincentla.net** El Viernes será un día asincrónico que permitirá a los estudiantes trabajar en sus programas de adaptación individuales y completarlos antes de las 6:00 p. m.

Empezando el Martes 18 de Enero de 2022 hasta el Viernes 21 de Enero de 2022, todos los estudiantes trabajarán de forma asincrónica. Su asistencia será el niño completando por el día sus programas de adaptación individuales.

Esto permitirá a los estudiantes y maestros hacer la transición al aprendizaje a distancia y continuaremos teniendo nuestras pruebas semanales los Viernes en el campus.

Continuaremos el aprendizaje a distancia hasta el 28 de Enero. Recibirá más actualizaciones a medida que avancemos durante este momento difícil. Es extremadamente importante que se asegure de leer su boletín escolar semanal con información próxima sobre nuestra segunda semana de aprendizaje a distancia.

Esta pausa presencial de dos semanas creará una distancia segura entre la escuela y el regreso seguro a la instrucción presencial el 31 de Enero de 2022. Este plan de acción es para las medidas de salud y seguridad de nuestra comunidad escolar.

A continuación se muestra la lista de todos los programas adaptativos individuales por grado. No dude en comunicarse con la Sra. Logan o conmigo si tiene alguna pregunta o inquietud. Como escuela, estamos haciendo todo lo posible para mantener a nuestra comunidad sana y segura. Junto con Dios de nuestro lado, superaremos cualquier desafío que se nos presente.

Sinceramente en Cristo,
Sra. Ávila-Auzenne
Directora
