SVS Trimester 1 Meeting: Before we Begin:
Norms:

- Ask questions for clarification.
- Make sure everyone's voice is heard.
- Be respectful in what you say and how you say it.
- Focus on what is best for the children
- Stay on point and on the task
- Limit side conversations

- **refrain from a Q&A** an exit ticket will be shared at the end of the meeting for questions. ==This is the **ONLY** form of attendance.==
- **Should a question arise during the course of the meeting, please address them in our Exit Ticket (link will follow towards the end of the meeting).**

Lord Jesus, You who willed to become poor,

Give us eyes and a heart directed toward the poor,

Help us to recognize You in them –

In their thirst, their hunger, their loneliness and their misfortune.

Enkindle within our Vincentian family,

unity, simplicity, humility and the fire of love

that burned in St Vincent de Paul

Strengthen us, so that, faithful to the practice of these virtues,

We may contemplate You, and serve You, in the person of the poor

And may one day be united with You and them in Your kingdom.

MRS. LOGAN, Vice Principal

◦ Attendance/Tardy/Absences:
As most of you know we have been battling with an extreme number of TARDIES since our return from COVID. California State laws says that students with more that 3 unexcused absences or tardies in a given year are considered to be TRUANT. Unfortunately we have many families that have fallen into this category. As a means of trying to improve attendance beginning in Trimester 2 we will reinstate biweekly Certificates for PERFECT attendance. (NO TARDIES NO ABSENCES) These will be handed out on the 1st and 3rd Monday's of the month during morning assembly.

◦ Uniforms: Grooming is also a part of being in complete uniform. Students that do not come to school following the Grooming policy which is located on Page 39 of the parent Handbook will be given an out of uniform fine of $5.00.

◦ Safety: The Safety of you and your children is very important. We are asking that ALL PARENTS and GUARDIANS who drive your children to and from school practice self control while on school grounds. There have been MANY near accidents due to lack of Patience with one another and Speeding while entering and exiting the school. Please follow the speed limit of 15 miles an hour.

Governance and Stewardship: Financial Report and TADS

TADS/Fees/Updates

Update information:

Please update any changes in address or cell phones in TADS. This is not only financial reasons but also for safety.

Payment on Time:

We have deadlines and we have also bills to pay for the school that need to be paid in a timely manner. Therefore paying your tuition on time is required in order for our school to function properly.

Do not ignore messages:

Do not ignore Mrs. Cardenas's phone calls and reminder notes. She needs to do her ministry in collecting everyone's tuition payments and pay our school bills. If you need assistance email or call her but also inform Mrs. Avila-Auzenne, Principal of your needs as well.

Internet Safety Policy - Archdiocese Administrative Handbook

Internet Safety Policy (Compliance with the Children's Internet Protection Act)

The Children's Internet Protection Act applies to the use of any device accessed or used by minors at a school or library that receives E-rate funding. The archdiocesan AUP requires all schools and libraries, even those without E-rate funding, to use functioning and properly configured content filters to preclude access to prohibited content, including obscene, sexually explicit materials; adult or child pornography; and materials including applications that are otherwise harmful to minors or in violation of this Acceptable Use and Responsibility Policy for Electronic Communications (Archdiocesan AUP).

What is the AUP?

The Acceptable Use and Responsibility Policy for Electronic Communications ("Archdiocesan AUP") applies to all archdiocesan users of technology, whether adults, children, or youth, and whether they are students, parents, paid staff or volunteers, clergy, or members of religious orders in the archdiocese or at any Location. All users are expected to adhere to the morals and values of the Catholic Church, to respect others, to consider the potential audience and their expectations, and to follow the Archdiocesan AUP and the other policies, standards, and procedures of the archdiocese. Electronic information and communications require particular safeguards and impose unique responsibilities on all users.

Coverage

The Archdiocesan AUP covers:

- Using devices appropriately from a social and moral perspective
- Maintaining data confidentiality
- Protecting proprietary, confidential, and privileged data, and personally identifiable information
- Maintaining the integrity of security controls and passwords
- Immediately reporting any suspicious conduct or actual violations
- Other activities implicated in the use of electronic devices

The archdiocese prohibits the improper use or alteration of data and/or information technology. Systems of information security are required to protect proprietary data. All users must adhere to the Archdiocesan AUP.

All materials and information created and used, in any medium, in the course of activities for or on behalf of the archdiocese or Location are assets of the archdiocese and/or the Location, as appropriate. This policy also applies to the seminary.

Definitions

Electronic communication **systems** include but are not limited to email, telecommunications systems (including telephone, voicemail, video conferencing, virtual messaging and meetings, social media and video), stand-alone or networked computers, intranets, the Internet, and any other communication or data storage or transmission systems (including "the cloud" or cloud-based services) that may be created in the future.

Electronic communication **devices** include but are not limited to wired and wireless telephones, smartphones or smartwatches, computers, laptops, tablets, photographic, audio and video equipment, hard drives, flash drives, memory sticks, media players, facsimile machines, scanners, copiers, printers, two-way radios, and other communications equipment that may be created in the future.

Electronic communication **materials** include but are not limited to emails, text messages, instant messages, postings on social media, audio and visual recordings, photographs, films, microfiche, audio and visual broadcasts, computer operating systems, software programs, electronically stored data and text files, computer and web applications, and all other electronic content that is created, downloaded, uploaded, retrieved, opened, shared, saved, forwarded, printed, or otherwise accessed or stored.

Person in charge refers to the department head, manager or supervisor of an archdiocesan department, entity or corporation; the pastor, administrator, parish life director, pastoral associate, deacon or other person designated as in charge of a parish; parish director of religious education, as designated by the pastor or administrator; the superintendents of elementary schools or high schools, or a principal, president, or head of school, as applicable.

Definitions Cont.

- Personally identifying information includes but is not limited to names or screen names; photographs; telephone numbers; work, home, or school addresses; email addresses; or web addresses/URLs of social networking sites or blogs.
- **Location** refers to any parish, school (whether parish or archdiocesan), the Archdiocesan Catholic Center, any Catholic cemetery and mortuary, and any other operating unit in the archdiocese.

Electronic Communications Systems, Devices, and Materials and the Users Covered

Includes:

- All electronic communication systems, devices, and materials used at any Location
- All electronic communication devices and materials taken from a Location for use away from the Location
- All electronic communication devices and materials provided to users by Locations, including devices issued in the IGNITE, Clergy Connect, Sisters Connect, PCL Connect, and similar programs
- All personal devices and materials brought from home and used at a Location
- All personal devices and materials, regardless of where they are situated, that are used in such a manner that the archdiocese and/or a Location may be implicated in their use
- All users of electronic communication systems, devices, and materials, including but not limited to volunteers, clergy and religious, students, parents, employees, staff, or contractors, when those contractors are associated with any activity of the archdiocese and/or the Location

Ownership and Control

All electronic communication systems, devices, and materials, provided to users by the archdiocese or the Location, are to be used primarily to conduct official Location and/or archdiocese business, not personal business, whether during or outside regular business hours.

With permission from the person in charge of the Location, individuals may use archdiocesan systems, devices, and materials to access and use the Internet for personal business and web exploration outside regular business hours or during breaks. The Archdiocesan AUP applies to all uses.

The archdiocese and Locations, as applicable, reserve the right to monitor, access, retrieve, read, edit, redact, remove, and/or disclose all content created, sent, received, or stored on archdiocese and/or Location systems, devices, and materials (including connections made and sites visited). The archdiocese also cooperates with law enforcement officials or others, without prior notice. Users can have no reasonable expectation of privacy in use of archdiocesan systems, devices, or materials. The archdiocese reserves these rights with respect to systems, devices, and materials not owned by the archdiocese when they are used under circumstances that implicate the archdiocese.

Monitoring

Network usage is monitored (**at minimum**) twice weekly at varying times and days that are not predetermined in any way, shape, or form. The goal of this method is to keep the monitoring as randomized as possible.

Consequences of Violations

Violations of this policy may result in suspension of electronic communication privileges, confiscation of any electronic communication device or materials, and disciplinary action up to and including termination of employment, removal from parish or school activities, expulsion from school, canonical review, referral to local or other law enforcement, and other appropriate action.
